

### Academic Renewal Request Form

- Formerly enrolled students who left UNCG with a cumulative GPA below 2.00 and who have not been enrolled in any institution of higher education during the previous year may apply for academic renewal; or, as an alternative, students who left UNCG with a cumulative GPA below 2.00 may apply for academic renewal after completing 24 hours of transfer credit with a 2.50 GPA since their last enrollment at UNCG.
- All students readmitted/reactivated under the provisions of this policy must earn at least a 2.30 GPA for their first 12 hours following re-enrollment to qualify for renewal. If a student earns fewer than 12 hours in their first term after re-enrollment, all hours and grades earned in consecutive terms (concluding with the term in which the 12 hour total is reached) will be considered for this requirement. If a student earns more than 12 hours in their first term after re-enrollment, all hours and grades earned in that term will be considered for the GPA requirement.
- Grades of D+ and below will be forgiven only once during a student's career and cannot be reversed. Students cannot combine academic renewal with grade replacement requests.
