Sample Work Settings

Here is a sample of work settings (or work environments) that might interest someone with this educational background.

- Food Processing
- Physicians’ Office
- Healthcare Companies
- Universities & Colleges
- Hospitals
- Scientific Corporations
- R&D Firms
- Institutional Review Boards
- Pharmaceuticals
- Mining Companies
- Federal & State Government
- Universities & Colleges
- Mining Companies
- Non Profit Organizations

Special Interest Housing

Special interest housing communities are residential-based programs designed to enhance the overall undergraduate student experience by fostering one-on-one relationships between faculty, staff, and students in a close knit residence hall environment. Students are encouraged to explore intellectual, cultural, and social interests through experiential activities often linked to the academic curriculum. Students learn with friends, while gaining real-world experience all where they live. Special interest housing options include:

- Lloyd International Honors College
- Living-Learning Communities
- Team Connection
- UNCG Chemistry and Biochemistry Department
- UNCG Faculty Laboratories
- LabCorp
- Veterinary Science
- Biotechnology
- Chemistry
- Public Health
- Medical School
- Dental School
- Pharmacy
- Biochemistry
- Nutrition Programs

Sample Graduate Programs

Students graduating from this undergraduate program also look at continuing their education in these sample programs:

- Chemistry
- Biotechnology
- Veterinary Science
- Dental School
- Public Health
- Pharmacy
- Biochemistry
- Nutrition Programs

Sample Minors/Double-Majors

Often, UNCG students may be interested in pursuing a second major or a minor to complement their major. If this is of interest to you, be sure to discuss it with your advisor early on. Some possible minors or majors to consider include:

- Biology
- Environmental Studies
- Education
