#### REMINDERS & TIPS FOR TRACKING ITEMS:

- **Flags & Kudos**: issued by instructors (academic advisors may also raise Personal Concern & Retention Concern flags)
- **Referrals**: issued by instructors, advisors, & support staff

*Behavioral flags: managed by Dean of Students (DOS), Office of Student Rights & Responsibilities (OSRR), and New Student Transitions & First Year Experience (NST&FYE)

### Outreach Flow Chart: What Happens After Raising a Tracking Item

#### Academic Flags
- Student receives email alert addressed from instructor, advisors & staff are notified, student is encouraged to take action
- Advisors/support staff may clear flags as they work with students to resolve concerns
- Instructor should clear flags if concern improves/resolves

#### Personal Concerns
- Student is not automatically notified about flag or comments
- DOS oureaches to student to express support and invite student to seek help
- Raiser should clear the flag if concern improves or resolves

#### Academic Integrity & Disruptive Behavior Concern
- Student is not notified about flag or comments
- DOS oureaches to instructor to advise about options

#### Retention Concern
- Student is not notified about flag or comments
- Flag information is available to advisors, academic support staff, & NST&FYE staff
- Raiser should clear referral if student uses service or concern is resolved

#### Referrals
- Student receives email notice and instructions on how to access referred service
- Service provider may deliver additional outreach; advisors & staff may view
- Advisors & staff are notified, no further action required

#### Kudos
- Student receives congratulatory email notice. No additional action is needed.
- Kudos should not be cleared

### How to Raise, View, and Clear Tracking Items

#### Raise Manually at Any Point
1. Open Starfish and open your Student tab
2. Sort by student list or search for student by name
3. Select Add Flag, Add Kudos, or Add Referral button
4. Choose the correct flag/kudos/referral option
5. Click Submit

#### Raise via Academic Status Report (ASR) (Instructors only)
1. View email invitation to complete an ASR at 4, 7, & 12 weeks
2. Open Starfish
3. Click the Academic Status Report link on your homepage
4. Enter feedback for students or submit with No Feedback
5. Click Submit

#### How to View Tracking Items on Your Students
1. Open Starfish and open your Student tab
2. Select the Tracking sub-tab
3. Search by student name using the search box or filter by student list
4. Hover over the tracking item in the Item Name column to view details

### Helpfuzz Hint: Use the “Download” feature to download an Excel report of the data you are viewing in Starfish.

*If Starfish permissions allow.

### How to Clear Tracking Items You’ve Created
1. Open Starfish and open your Student tab. Select the Tracking sub-tab
2. Search by student name or filter by student list
3. Check the box beside the student flag you wish to clear and click the Resolve button
4. Select a reason for clearing, enter comments about why the flag is being cleared, and click Submit
Starfish CONNECT refers to the Starfish features that allow for online appointment scheduling and office hour posting.

### HOW TO POST APPOINTMENT AVAILABILITY IN STARFISH

#### Add Appointment Availability to Starfish

1. Open the **Appointments** tab on your main toolbar and click the **Add Office Hours** button.
2. Post a title for your office hours.
3. Set the time and frequency of your availability.
4. Specify at least one location (offering multiple locations allows students to select their preferred location when scheduling).
5. Decide if you require students to schedule in advance and/or walk-in to meet with you.
6. Establish a minimum/maximum appointment length (setting different min and max will allow students to choose how long they need when scheduling).
7. Choose an appointment type to restrict scheduling access to specific groups of students (if applicable).
8. Add instructions to be seen by students when scheduling appointments and choose an end date for the office hours (if reoccurring).
9. Click **Submit**. Notify your students to begin scheduling.

#### Set Appointment Preferences:

1. Open Starfish and click your name to open your profile settings. Click the **Appointment Preferences** tab.
2. Choose a default appointment length (**recommended**).
3. Set a scheduling deadline to avoid same day appointments (**recommended**).
4. Add your office location(s) (**recommended**).
5. Choose to give a colleague access to manage your calendar (**optional**).
6. Click **Submit**.

#### Set Email Notifications Settings:

1. Click the **Email Notifications** tab in your profile settings.
2. Check 2 boxes to receive an emailed calendar attachment for every change to your appointments and office hours to receive email notices when students schedule appointments (**recommended**).
3. To allow Starfish to ready busy times from your iSpartan calendar, check the box and follow instructions to insert your private iCal link (**optional**). Students will not see the details of your iSpartan calendar when scheduling.
4. Click **Submit**.
