

View Student Flags, *Kudos*, and Referrals

Step	Directions
1	Click the  icon and select Students . Then select the Tracking tab at the top of your screen.
2	Use the filters along the top to populate a list by various criteria.
3	See a list of students who have tracking items according to the filter criteria you set. You will see the tracking item type, name, status, creator, and creation date.
4	Hover over the item icon  to view details, add a comment to the item, and/or clear the item (if your role allows).
