

View a Student's Success Network

Step	Directions
1	Search for a student by typing their name in the top right corner search box
2	Once you generate the student, click on their name, which will open a pop-up box/folder for them
3	Select Network from the left toolbar, and you'll see all the members of a student's network
4	A Student's Success network is comprised of their major advisor, instructors for the current semester, and any support staff they are connected to
