

# Personal Concern Flags

In collaboration with the Dean of Students Office (DOS)

## Raise the Flag

Raise when you know or suspect that a student may be enduring non-academic hardships or personal concerns. Faculty and staff will be required to provide more specific comments when raising the flag to inform DOS outreach.

## Streamlined Reporting Process

This flag helps the DOS streamline its reporting sources and the way it intakes reports of student concerns. This enables more efficient and timely outreach to students who need support.

## Caring for Our Students

This flag should not be used to report emergency situations. Faculty and staff will be required to provide more specific comments when raising the flag to inform DOS outreach.

## Consider Confidentiality

Due to the student information captured by these flags, these flag comments are only shared with the Dean of Students Office. Student athlete flags will be shared with UNCG Athletics.
