Letter grade, satisfactory, unsatisfactory, or withdrawal? If you’ve received your grade, use this chart to help decide which option is best for you.

Important!
- Course withdrawal and grade replacement are not automatic. These options require you to log in and take action through UNCGenie.
- Under the COVID-19 Academic Relief Package, the deadline for making these changes is 11:59 p.m. June 1, 2020.

- Academic Relief Package FAQs for Students
- Academic Relief and Satisfactory Academic Progress (SAP)

While you could opt for an “unsatisfactory,” a course withdrawal may be your best option. That’s because withdrawals enacted between March 11–June 1, 2020, are exempt from standard withdrawal limits and will not affect GPA and academic standing calculations. Contact your advisor with questions and concerns.
