

ACADEMIC FLAGS IN STARFISH

Instructors are encouraged to raise Starfish Flags for students in their courses. Select the Academic Flag that best describes a student's individual situation to alert the student and members of their support network to your concerns.

Pro Tip: Additional comments on flags will be delivered to students verbatim, so first-person comments are recommended.

ACADEMIC FLAG: CLASS ATTENDANCE CONCERN

Student has not been attending class regularly, is tardy frequently, and/or is not meeting expectations for class attendance.

ACADEMIC FLAG: LOW AVERAGE IN COURSE

Student has multiple low scores on tests, quizzes, and assignments, and/or their average is below a C.

ACADEMIC FLAG: AT-RISK OF FAILING

Student's course grade or overall performance is putting them in danger of failing the course.

ACADEMIC FLAG: MISSING/LATE ASSIGNMENTS

Student's missing and/or late assignments jeopardizes their success in the course.
